

Your Cataract Surgery Journey

STEP 1 Do you have cataracts?

Is your vision cloudy, dull, or yellowing?

STEP 2 Book an evaluation

Schedule online or give us a call on (717) 657-2020

BOOK NOW

STEP 3 Meet us

Visit our office in Harrisburg where we'll assess your eyes and perform all the necessary tests to make an accurate diagnosis.

STEP 4 Want to free yourself from glasses and contact lenses after cataract surgery?

We're here to help you decide the best option for your lifestyle and vision goals.

YES

After lifestyle cataract surgery,

you'll be free from cataracts and be able to drive, watch tv and play sports without glasses. If you also choose a near vision correcting lens, you'll be able to read most books, menus, your phone and small labels without glasses.

Driving

Camping & Golf

Reading

Watching TV

Feel younger with rejuvenated eyes

NO

After traditional cataract surgery,

you'll be free from cataracts and can resume all of your favorite activities with glasses and contact lenses.
